

Dear Parents

Be A Parent Volunteer

Welcome to the Springdale Family!

As depicted in the 3-leaves clover on our school crest, education is a partnership between the home, school and community. The active involvement of parents can promote a learning community in which pupils can engage positively with the various stakeholders. Hence, we would like to invite you to join us in this journey of collaboration and support the school through the varied opportunities listed on the next page.

If you are keen to join us, kindly fill in the form and return it to the school. Please note that each parent should fill in a separate form. If you have any queries, please feel free to email my Year Head, **Mrs Jaslyn Lim** at cai_yuyu@moe.edu.sg or call her at 6315 7600.

Together we can make learning in Springdale Primary a wonderful experience for our children.

Thank you in advance for your contribution!
Mrs Anne Quek

Guidelines for Parent Volunteers (PV)

Dear Parents,

Thank you for your interest to becoming a PV. Here're some tips to make your involvement in our school-home partnerships meaningful and sustainable.

1. Role of Parent Volunteer (PV)

- a. Complement the school by **aligning with the school's objectives**, supporting and strengthening the school's programmes to improve our children's well-being and learning.
- b. Support teachers in managing the **discipline and safety** of children during school duties or learning journeys. For learning journeys, in particular, do:
 - i. Act in consultation with the teacher-in-charge of the class where itinerary, toilet & food/drink breaks (if applicable) are concerned. **Teachers-in-charge will be responsible for making the decisions for the group.**
 - ii. **Children who are unwell come under the care of the teacher-in-charge** while the PV takes charge of the rest of the group.

2. Dos and Don'ts of Parent Volunteer (PV)

Dos	Don'ts
<ul style="list-style-type: none">• Adhere to the school rules• Be respectful to all• Promote and participate in the school's programme for the benefit of all children• Project a positive image (e.g. dressing modestly) of the school and PV group when volunteering at school events• Seek permission before adding members to any chat or social media group and remember to keep all personal details confidential	<ul style="list-style-type: none">• Overrule/Dictate the school policies and practices (e.g. teaching/discipline practices or deployment of staff) for personal benefit or convenience or to undermine the professionalism of teachers• Criticise the school or SPVC publicly or use chat or social media group to rally for support for any school-related issues (instead feel free to share your feedback with the SL or SPVC chairperson)• Represent the school at any external event unless authorized by the school

Research has shown that children whose parents are involved in their educational journey have been found to have better self-esteem, are more self-disciplined, show positive attitudes, and exhibit higher aspirations and motivation towards school.

We thank you for stepping forward to volunteering your expertise, talents, networks and others. Together, we will make Springdale Primary a conducive learning community for all our students.
